

506 South Hough Street – Contributing

Located at 506 S. Hough Street is a two-story gabled ell Tudor Revival style dwelling built ca. 1930. The house has a continuous poured concrete and stucco-covered foundation, a multi-gable roof of asphalt shingles, an exterior wall brick chimney and a stucco exterior. The main (E) façade has a one-story entry bay with oversized, spired columns, pointed arch single-light fixed windows and a pointed arch glass and wood exterior door. The main entrance is an original glass and wood door. The first floor of the main façade has a large fixed window flanked by multi-light casement windows and wood shutters and surrounds. Other windows are original three-over-one vertical-light double hung wood sash with wood surrounds. In the upper façade is stucco and half-timbering and in the gable fields is weatherboard siding.

To the rear of the dwelling is an original, frame, single-bay garage with a front gable roof of asphalt shingles, an exterior of stucco and a ca. 1980, overhead metal panel track door. In the gable fields are half-timbering and weatherboard at the apex. - **Contributing**
